### **Information for Faculty Affairs Staff**

Documenting Faculty Leave Requests Office of the Executive Vice Provost

Academic leave requests for full-time faculty are submitted to the Executive Vice Provost for approval. The information below is for Faculty Affairs staff. Please ensure that the proper documentation is attached to the faculty member's leave request in order to expedite handling of the request.

If the dean is requesting an exception to the University's policies, the dean must provide to the Executive Vice Provost an explanation describing the rationale and benefits to the school. This can be on the leave form, in a memo, or in an email.

Faculty Affairs Staff should email the materials to Debora Chan-Southwell (chansout @ usc.edu).
